Houston Event Photography will not share this information with anyone. It is for our private files only. This form must be completed to be considered for photographic modeling. All modeling is on a Time For Photo (TFP) basis and you will be provided a CD or DVD with all of you images including rights to reproduce your images for your own personal use and portfolio. Model releases will be provided at time of photographic services. Photo ID will be required to prove age requirements. No One Under 18 will be considered at this time.

You may print out this form and mail it or you can email us with the above details. Please try and include a recent photo, which will be attached to your file.
